

## **MAG Building Codes Committee Mission and Objectives for FY 2003**

MAG staff will shortly be assembling the Work Program for Fiscal Year 2003. This Work Program will contain a specific work element for the MAG Building Codes Committee. The program description noted below is taken from last year's Work Program and the Mission Statement is based on the mission originally assigned to the Committee. Input from the MAG Building Codes Committee will be solicited, especially with regard to objectives for FY 2003.

### **Program Description:**

The MAG Building Codes Committee consists of building officials from MAG member agencies. It is responsible for making recommendations on the development, interpretation and enforcement of building codes in Maricopa County. It also provides a regional forum for construction and development as related to building codes.

### **Mission Statement:**

Encourage and promote uniformity in the interpretation and enforcement of all the Building, Electrical, Plumbing and Mechanical Codes adopted by MAG member agencies.

### **2001-2002 Accomplishments**

-  Adoption of 1999 NEC with five amendments as a standard
-  Approved interpretation of Uniform Mechanical Code Roof Access Provisions that two side railings were needed for roof access.
-  Adopted amendments to the ICC as a MAG Standard
-  Adoption of the Interpretation Regarding the Uniform Plan Review and Inspection of Pressure Treated Sill Plates
-  Adoption of Revisions in the International Residential Code Table that deals with Climatic and Geographic Design Criteria

**FY 2003 Objectives:** *(Input to be solicited from MAG Building Codes Committee Members)*
